

Glimpse of Health Asia International Exhibition & Conferences

Health Asia is a series of three-day annual event. It has been organizing by Ecommerce Gateway Pakistan (Pvt.) Ltd since last four years. The event is the only UFI Approved Health and Pharma Industry Exhibition in Pakistan declared by “The Global Association of Exhibition Industry, Paris, France.”

Health Asia has provided an excellent platform for the International & national stakeholders of health & pharma sectors to interact, share and exchange latest in technology, medical equipments, machines as well as allied services. It provides investors with a definite outlook of the regional health sector and an opportunity to meet their counterparts and business partners.
