Dear Colleagues,

We are delighted to announce yet another Health Asia Conference on Burns, building upon the tremendous success of the last Conference.

The Conference focuses on to disseminate knowledge, stimulate prevention & create awareness for burns care & cure. It's objective is to combine the strengths of technologically advanced countries with the rich clinical experiences of the developing countries in the field of burns care.

Therefore at this platform, we would like to invite Head of Burns Units, Plastic Surgeons, Consultants, Skin Specialists, Anesthetists, Bacteriologists, Critical Care Physicians, Dietitians, Physiotherapists and other Paramedical Staffs that deals in Burns, to highlight the Preventive Initiatives, Happenings, Handling and Cure of Burns Injuries.

Here are some of the topics (but are not limited to) to bring in light during the discussion:

- Burns Care – A Team Approach
- Treatment of Minor Burns
- Topical & Systematic Management of Burns
- Pain Control for the Burns Survivors
- Deformality caused by burns
- ICU Management of Burns
- Burns Disaster Management
- Nutritional Value and Importance for Burns Survivors
